Care-Leavers: the role of attachment on coping

30 min(s) to complete

£5 Amazon Voucher

Online and Postal Questionnaire

Online

University of Southampton

The study will involve completing six questionnaires (Four online and two via post). Participants that consent to taking part will be sent a link to the online survey by email. From here the researcher will request that participants give a mailing address for the final two questionnaires to be sent to (a stamped addressed envelope will be provided for the return of questionnaires).

The questionnaires will ask about some of their childhood experiences, their
