What are parent/carer's
opinions toward young
children using technology?

20 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Liverpool John Moores University

The purpose of this research is to find out how young children aged 8-13 use smartphones with their friends, family and how it is used with their school.

As a parent or guardian of a child you are being asked to help the researchers understand your opinions toward smartphone and tablet use for young children, and how the technology is used within the family.
