## Self-Perceived chances of work progression

10 min(s) to complete

Prize draw (£10 Amazon Voucher

Online Questionnaire

Online

London South Bank University

This study was made to identify the responses of UK based employees in regards to their self-perceived chances of work progression. From previous research, it was found that English language proficiency is a big determinant of work progression and promotion.

The questionnaire will take no longer than 10mins and will not require any personal details at all.

All participants will be entered into a £10.00
