person)

Interview

Online

University of Cambridge

This project is an investigation into binge eating disorder and compulsive (over) eating from an intersectional feminist perspective, examining the impact of gender, race, and class on their causes and developments, and potential implications for treatment in the UK.

Participants are invited to take part in a semi-structured interview (about 60 minutes) about their experience with being affected by BED/compulsive (over) eating as well as a the psychological treatment they've
