The experience of playing an exercise game with a self-similar avatar

60 min(s) to complete

Sincere Gratitude

Interview

53 Bonsall St, Manchester M15
6GX Bonsall St, Manchester M15
6GX, UK

Manchester Metropolitan University

We are interested in whether playing with an avatar that is similar to the player can help encourage people to eat and exercise more healthily. This interview study involves talking about video games, health behaviour and body image and playing an Xbox One Kinect game.
