

# Call For Participants

Stalking: the effects on individuals who have been subjected to it!

25 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Coventry University

The purpose of the study is to contact individuals who are/have been a target of stalking, and to ascertain how it has affected them from an emotional, physical and psychological perspective. It is also designed to allow individuals the opportunity to talk about their individual experience with any legal agencies who were involved and how effective their involvement was.
