## Public Attitudes to Animal Cognition

5 min(s) to complete

Prize draw for 6 lots of John Lewis vouchers worth £15

Online Questionnaire

Online

Queen Mary University of London

Your help with this new research would be greatly appreciated!

This follow up survey aims to investigate peoples attitudes and beliefs regarding animal cognition. For instance, how do people's views on animal mind differ? Which mental abilities are uniquely human? What sources of information affect your views on animal mind?
