

Call For Participants

Understanding self-harm in the general population

20 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Strathclyde

We are currently recruiting participants for a study which is interested in understanding self-harm in the general population. This study invites participants to complete two questionnaires, 3 months apart. Each questionnaire will take approximately 10-15 minutes to complete and will ask about your self-harm behaviour and what you might have thought/felt during the last three months. We understand this is a sensitive area, so please think carefully before taking part.
