

Call For Participants

Giving birth in the UK

5 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Oxford

The study is open to anyone who has given birth in the UK at least once, either in public or private healthcare. Participants must be 18 or over.

The survey aims to gather data about experiences of childbirth in private and public healthcare in the UK, ranging from positive to negative and anything in between.

Mothers who have had negative experiences are also invited to participate in
