Parental views on
bilingual/multilingual
children's support by SLTs.

10 min(s) to complete

Prize draw of a £25 voucher of
your choice (from a list: Amazon,
Tesco or Sainsbury's)

Online Questionnaire

Online

University of Sheffield

The project aims to better understand the families' expectations regarding the support they receive from Speech and Language Therapists.

At present, there is no specific research on the views of parents of bilingual/multilingual children on the support received from those services.

It is hoped that the findings from this study will contribute to recommendations for SLT services on how to best collaborate with parents and increase our overall understanding of parental experiences.
