

Call For Participants

Alcohol and Drug use in LGBT and heterosexual populations

20 min(s) to complete

Participants are entered into a £50 Amazon voucher prize draw

Online Questionnaire

Online

Kingston University London

This study is being carried out to investigate alcohol and drug use (consumption, motivations for use and problems associated with use) in people with different sexual orientations. It is a survey which takes an estimated 20 minutes to complete. Respondents will be entered into a £50 Amazon voucher prize draw. Heterosexual males needed especially as sample for this orientation is currently lacking in numbers.
