

# Call For Participants

Have you ever been affected by flooding? (online survey)

35 min(s) to complete

Prize draw £50 (voucher)

Online Questionnaire

Online

University of Bath

This research seeks to understand better the ways in which people who have been directly affected by floods make sense of flooding events: How much of a risk do you feel? What are your opinions about floods management? Which types of policies and behaviours do you most prefer?

For this, we are inviting you to take part in a short survey (duration: 35mins). We hope that by understanding the viewpoints about recent floods we can help to improve responses to floods in the future.
