

Call For Participants

Reading comprehension study
(eye tracking)

45 min(s) to complete

Cash (£5)

Experiment

Newcastle upon Tyne, UK

Northumbria University

Participants are sought for an eye tracking study that investigates how people comprehend short fictional stories.

The task involves silently reading 36 very short stories (between 5 and 8 sentences in length) while your eye movements are recorded. It should take less than hour and will take place in the Northumberland Building, Northumbria University, Newcastle upon Tyne NE1 8ST.
