Sleep Quality Assessment on your Smartphone (Android OS)

1 min(s) to complete

Prize draw 3x50CHF

Smartphone Based
Questionnaire

Online

Université de Geneve

You are invited to participate in a research study on assessment of a sleep quality via smartphones.

You will need to install an application on your Android OS device and answer two questions each morning along consecutive 28 days. Answering these questions will take few clicks.

Note: When providing your consent, use email address which you can receive on your smartphone.
