

Call For Participants

Survey: assessing personality and hostile cognition

20 min(s) to complete

£50 Amazon voucher prize draw

Online Questionnaire

Online

University of Nottingham

We invite you to participate in an online survey examining how personality traits influence responses to potentially threatening situations. The survey takes 20 minutes to complete, and involves filling out several personality questionnaires and indicating how you would respond to several hypothetical events.

After finishing the survey, you can elect to be entered into a raffle to win a £50 Amazon voucher.
