Tobacco health warning ratings - MALE SMOKERS

15 min(s) to complete

£1 cash (via PayPal)

Online Questionnaire

Online

University of Bristol

In this online study you will be asked to rate a series of tobacco health warnings on their effectiveness and believability, based on their features. You will also need to provide some demographic details including smoking status.

This study should take you 10-15 minutes to complete, and you will be reimbursed £1.

Interested participants should select 'Take part in this study' and then 'Take part now' for more information on the study.
