Public Understanding and
Opinions Regarding The
#metoo Campaign

20 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Portsmouth

The purpose of this study is to collect information about the awareness of #metoo, since this campaign happened a year ago, different people shared their stories through social media using the hashtag #metoo. Since it started, many people have stepped up and tell their stories, this research is interested in finding out about the public's understanding of the campaign and their levels of awareness of rape, sexual assault and sexual harassment.
