

# Call For Participants

Height, weight and Belief in a Just World

15 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Anglia Ruskin University

For the final year of my degree in psychology I am conducting a study investigating the relationship between physical characteristics such as height and weight and various psychological constructs. For this study you will be required to give demographic and answer a few questionnaires.

If you are over the age of 18 and would like to participate, it will all be done anonymously and will only take around 5-10 minutes to complete (no longer than 20 mins)
