Safety Culture Assessment in
different London business
sectors

15 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Coventry University

The purpose of the study is to assess the maturity of safety culture in different business sectors in London and compare them with each other.

By sharing your experiences with us, you will help the researcher and Coventry University to better understand if the safety culture in your business sector is as mature as other sectors.

You will be asked a number of questions regarding health and safety attitude in your company, which should take 15 minutes to complete.
