## Consumer Perceptions of Labels on Meat Products

15 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Royal Veterinary College University of London

Hello everyone! My questionnaire aims to assess consumer perception on animal welfare and environmental labels on meat products. Whether you consume meat or not- this questionnaire explores the relevance of labeling and perceptions of the meat industry. If you have wandered the supermarket aisles debating between free range or organic, or you've never thought about labels at all, I would love to hear what you think. Meat eaters, vegetarians, vegans, pescatarians are all welcome. Thank you!
