## Violence Against Bisexual Women

3 hour(s) to complete

Sincere Gratitude

Interview

United Kingdom

University of Leeds

Research from the University of Leeds as part of a 3 year research project looking to better understand bisexual women's experiences of violence. The purpose of the project is to provide research led resources to women's services to help them better support bisexual women.

The project is looking to speak to bisexual women living in the UK that have experienced violence in a close relationship. This may include physical violence, psychological abuse, sexual
