Study of current and future  
premium passenger attitudes  
on long-haul sector

5 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Coventry University

There is going to be a fundamental change in the business model of UK Long-Haul carriers upon recovery from COVID-19. Hence, an investigation into current and future trends in premium passenger choice would help produce suggestions for credible developments. This would complement the research title on The suggestion of Plausible and Viable improvements of Premium Long-haul product of UK carriers in relation to past competition and the current economic impact of COVID-19.
