Cineon Training

Join our product development research and help advance innovative work at the intersection of AI and eye-tracking glasses! The session will be held at Exeter Science Park or the City Centre and will last for up to one hour and 15 minutes. During the session, we will record your eye and head movements and ask you to report your levels of stress, mental effort, and fatigue. You will receive £30 for taking part, plus £10 to cover travel expenses (only if willing to travel to the Science...
