Felt Safeness in the Therapeutic Relationship Validation Study

25 min(s) to complete

Prize draw, £20 Amazon voucher

Online Questionnaire

Online

University of Bath

Participants will take part in a series of questionnaires asking about the therapeutic relationship, their mood, the emotion of worry and some information about themselves. A second (shorter) questionnaire will be sent to the participant, by email, a week later for completion of the study.

Participants will have the option to enter a prize draw for one of four Amazon vouchers following completion of the questionnaires.
