City Centre Pedestrianisation

8 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University College London

I am a Masters student at University College London in the Bartlett School of Environment, Energy and Resources undertaking research into city centre pedestrianisation, under the supervision of Dr Theodoros Semertzidis.

I'm asking people who live, work, study in or regularly visit London and are at least 18 years of age to take part in my research.

This would involve completing a questionnaire online and would take 5-10 minutes.
