Sincere Gratitude

Online Questionnaire

Online

University of Central Lancashire

The aim of the study is to explore factors influencing people's interactions and behaviour with their romantic partners using communication technology (e.g. mobile phones and social media). Participation involves completion of three brief questionnaires which will take approximately 10 minutes. Participants need to be at least 18 years of age and be in a current romantic relationship of six months or longer. Further information on the study is provided prior to commencing the questionnaires....
