Interview

Online

University of York

We are currently recording interviews with people from the cities of Middlesbrough, Newcastle, and Sunderland in order to examine attitudes to language, chart language change, and improve speech recognition software. For this, your voice will be recorded while you take part in a series of activities which should take no longer than an hour to complete in total, and we will pay you £20 on the day! If you'd like to take part, please contact us using the details below:
