

Call For Participants

Investigating Contributing Factors to STEM Interest and Pursuit

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Portsmouth

Participants can email myself up853645@myport.ac.uk for the link
The surveys are online Qualtrics surveys investigating factors which contribute towards people's interest in STEM (Science, Technology, Engineering and Maths) subjects.
If anyone is a university student or a parent with/without children in primary school they are applicable to take part in the survey. Schoolchildren may also take part with their parents if they wish to.
The study should take no longer than 10
