

Call For Participants

Parenting practices, bilingualism and children's everyday behaviour

15 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Greenwich

This in an online study investigating the association between children's everyday behaviours (e.g. playing with other children focusing on tasks, willing to share toys or school resources with their peers) and parenting behaviours, and whether these differ between children who speak one and those who speak more than one language.
