

Call For Participants

Brexit: citizenship, identity
and belonging

20 min(s) to complete

Report of results

Online Questionnaire

Online

Middlesex University

This study looks at how people now define "British citizenship" after the referendum result indicated that the UK should leave the EU. Questions focus on what makes someone a citizen and how you as an individual experience belonging. The results will be compared with data from the Netherlands and international student data. As a thank you, email Dr. van Meurs for a report on your scores or an overall executive summary.
