Hi everyone! Want to win a \$50 Westfield gift voucher? Take a 20-30 survey on the relationship between social support and weight management! As long as you are over 18 and have a BMI of 25 or above you are able to help :) Thank you!!

This research aims to investigate the reliability (is the questionnaire accurate?) and validity (does the questionnaire measure what it is intended to measure?) of the Support for Weight Management Scale (SWMS).
