Interview

London, UK

University College London

I would like to understand people's views
towards EU migration in the UK, their
experiences of migration or with migration
and to what extent migration affects their
everyday lives.

I speak to people who were born in the
United Kingdom, in Romania, or in Poland,
who currently live in either the West Ham
(the area around Stratford station in East
London) or Clacton (in East England)
constituencies.
