

Call For Participants

Survey/experiment on effort estimation in software development

15 min(s) to complete

Online Shopping voucher (amazon gift card of 10 USD), given sufficient quality of responses.

Online Questionnaire

Online

University of Oslo / Universitetet i Oslo

A study comparing "relative" and "absolute" estimation of software development effort. Requires programming skills. A link will be sent to interested participants.

The experiment takes about minutes and you will receive an online gift voucher (amazon.com), given good quality of the answers.
