

Call For Participants

Lived Experiences of Veterans with Co-Occurring Chronic Pain and PTSD

90 min(s) to complete

Sincere Gratitude

Interview

Online

University of Hull

We are interested in exploring the lived experiences of veterans who have experienced co-occurring Chronic Pain and Post-Traumatic Stress Disorder (PTSD)

What is involved?

Taking part in this research project involves an interview to talk about your experiences. You will be asked questions relating to your everyday experiences of chronic pain and PTSD, and how you manage these conditions in your daily life.
