

Call For Participants

The observation of affective touch and the link with eating behaviours

35 min(s) to complete

You can enter yourself into the prize draw following link on end of survey screen (2...

Online Questionnaire

Online

Liverpool John Moores University

This study will last approximately 35 mins and will involve the completion of some short questionnaires about yourself, your eating behaviours, attitudes towards your body and your attitudes towards and experiences of social touch. You will then rate the pleasantness of videos in which an individual is receiving gentle stroking to various body regions.

You have the opportunity to be entered into a prize draw (two chances of £25 Amazon vouchers).
