## Mental Health Beliefs, Attitudes, and Knowledge

30 min(s) to complete

Prize draw

Online Questionnaire

Online

Ball State University

The purpose of this study is to examine how people's beliefs about, attitudes towards, and knowledge of mental health and mental illness impact their use of mental health services. To participate you must be 18 years or older. Participation involves completing a survey that will take approximately 30-45 minutes to complete. All responses are secure and confidential. Participation entitles you to one entry into a drawing for a chance to win 1 of 20 Amazon.com gift cards worth \$20.
