

Call For Participants

Domestic violence views
within the UK Muslim male
population

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Nottingham Trent University

This study is aimed at Muslim males who normally reside in the UK and are above 18yrs.

The study is part of an MSc Psychology Research project and seeks to learn more about issues which influence where people attribute blame with regards to domestic violence in the UK. The results will be used for further postgraduate research and will potentially inform policy and practice. Should you qualify to complete this survey please kindly complete it to the end as
