How has the Coronavirus (#COVID19) pandemic affected your family and children? A research team at Queens College of CUNY invites parents of school-aged (PreK to 12th grade) children to complete an online survey. The survey may take about 10-15 minutes to complete. Your participation will help us better develop interventions for families with school-aged children. The link: <https://www.surveymonkey.com/r/Pandemic9>
