Exploring the stories of
detrans people (RFAB)

Sincere Gratitude

Interview

Online

University of Bath

Alongside the increasing visibility of trans culture, there has been a growing awareness that, while many people will be happy with their transition, there are also many people who decide to stop the process of transition or de-transition. There is very little information or understanding out there around this. I want to hear from people who have made these kinds of decisions and I will be asking them to tell their stories in their own way and in their own words.
