World of Images - Laboratory Study 2

35 min(s) to complete

£8

Experiment

Senate House, University of London, Malet St, Bloomsbury, London WC1E 7HU, UK

School of Advanced Study University of London

We are investigating bodily reactions to emotionally charged photojournalistic images. We will also record your heartbeat responses to the images using ECG electrodes placed on your upper chest and lower back. This is a standard non-invasive procedure which is completely safe.
