

Call For Participants

Pregnant women's simulations of childbirth and postpartum experience

20 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Goldsmiths University of London

The study focuses on how first-time mothers imagine future events.

You will first be asked to fill out some demographic information. You will then be asked to complete questionnaires about your mood. Then you will be asked to describe how you imagine future events will unfold - in relation to the birth process and your first day as a mother.

The whole process will take approximately 15-25 minutes.
