Terrorism and 'fear culture':  
From a London commuter  
perspective

10 min(s) to complete

Sincere Gratitude

Interview

Online

University of Exeter

You are invited to take part in a research study led by Molly Beale, a student at Exeter University. The purpose of this study is to investigate your changing perspectives as a commuter around London, in response to the anxieties and fears associated with terrorist risks. This project hopes to identify the factors which influence your daily decisions and insecurities as a commuter, and the extent to which the risk of terrorism will affect your daily journey.
