

Call For Participants

Students' attitudes and beliefs
about food consumption

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Oxford Brookes University

What influences your food choice?
Help investigate the rel. between attitudes and beliefs about food consumption and eating behaviour in the student population. All students are invited to take part in this 10mins questionnaire. Findings contribute to understanding of the rel. between eating behaviour related to students' intentions and willingness to eat certain food in given situations, self-control and diet-concerns, and their consumption and knowledge about fruit and vegetable...
