University of Kent

This online study is a part of a Masters thesis project at the University of Kent. In this study you will be presented with questions about how you view your achievements, and how you tend to react in the face of disappointments. You will be asked to answer by providing ratings on the scale (e.g. from "Strongly Agree" to "Strongly Disagree"). There are no right or wrong answers! Our only expectation is that you will answer these questions as honestly as possible.
