University of Bath

Everyone experiences changes in their body and their mood throughout life. The purpose of this survey is to find out about the changes that people experience in the way their body works, the sensations that they feel, and their mood. We are particularly interested in understanding how these are different between people who have chronic pain and those who don't. People aged 16 or older, WITH or WITHOUT chronic pain can take part, in exchange for entry into a prize draw for a £50 Amazon...
