Eye tracking and questionnaire

Priory Rd, Bristol BS8 1TU, UK

University of Bristol

We are conducting a study to explore how magazine advertisements are viewed. We are looking for women aged 18 to 30 with normal vision or vision corrected with contact lenses to participate in a study that will consist of an eye-tracking session and the completion of a questionnaire. Eye tracking sessions will take approximately 1 hour. £10 will be paid on completion of the session. Lab sessions will take place during the day on Wednesdays and Thursdays during the day.
