

# Call For Participants

£50 - Ever fundraised, donated or volunteered for a charity?

60 min(s) to complete

£50 cash

Interview

Reading, UK

People for Research

People for Research are looking for people with different experiences of supporting a charity. Whether you have donated to a charity or taken part in an event to raise money, we want to hear from you!

For this research, which is on behalf of a national charity, your feedback would be especially relevant if you have suffered a bereavement in recent years. Although your experience is relevant for this testing session, you will not be asked to go into detail about your loss.
