West Yorkshire, UK

University of Leeds

We are looking for families with at least one child aged between 8 months - 5 years to participate in our study which aims to identify commonly consumed food items and snacks within families with young children in West Yorkshire. The sessions will take place in your own home or a place convenient to you.

You will be asked to complete two questionnaires, two 4-day food diaries and answer some interview questions for which you will receive a £20 gift voucher.
