Online Questionnaire

Rheinische Friedrich Wilhelms Universität Bonn

Hitting two birds with one stone, we designed a "two in one" survey:
In our first study we would like you to rate 12 calendar mottos or worldly wisdoms. In the second study we ask you to think yourself into 10 different dilemmas. Afterwards there will be some short personality questionnaires.

Needless to say, this survey is completely anonymous! We won't ask you your name or any personal information that would let us know who you are.

Participation is only possible once.
