

# Call For Participants

## Would you like to cut down on the amount of chocolate you eat?

5 hour(s) to complete

£70 cash (via bacs)

Experiment

Gower St, Bloomsbury, London
WC1E 6BT, UK

University College London

We are looking for males and females aged 18-45 who would like to cut down on the amount of chocolate they eat. We are looking at the effect of rapamycin (an immunosuppressant) on the neurochemistry of learning and memory related to eating chocolate.
